## Key Points for Non-DoD Schools

- Most British schools require uniforms. You will be required to purchase these, unless otherwise stated. Prices of uniforms vary.
- It is strongly recommended that you visit the school that you are interested in to tour the campus, meet the staff and have key questions answered.
- Every school and every child are unique. Select the school that best suits your child.
- Be aware that some schools may be at capacity within some or all grade levels.
- School lunches are the responsibility of the sponsor, even if added into tuition price
- British schools go by Years 1-13, which are equivalent to our K-12. Therefore, Kindergarten is Year 1, grade 1 is Year 2 and so on...Reception is equivalent to our Pre-K.
